

## **WHAT DO I DO WHEN I GET A “BAD REPORT?”**

**I am not shaken because of bad reports; I choose to believe the LORD's good report. Bad news does not faze me a bit, because I have learned to trust GOD and believe HIS Word, even in the midst of challenging circumstances. I do not deny that sickness exists; I just deny that it has a right to exist in my body.**

**The word of men does not change the Word of GOD. I do not deny what the doctor's word says. I just deny that it is the final word, because GOD's Word supersedes the word of men. I choose to believe GOD's report that says JESUS paid for my healing, as my substitute on the Cross. His report says the law of life in CHRIST JESUS has made me free from the law of sin and death. HIS report says that healing and health are my right and privilege. GOD's Word says that by JESUS' stripes, I was healed, and that is the report that I choose to believe.**

**It does not matter what the doctor says; I am healed. It does not matter what the medical tests say; I am healed. It does not matter what my body says; I say that I am healed. GOD's Word says that I am healed, and I believe it. That settles the matter.**
